THE MINISTER OF STATE IN THE MINISTRY OF WELFARE (DR. According to the latest instructions the migrated Scheduled Castes/Scheduled Tribes children can get such a certificate from the local revenue authority in the migrated State on the basis of certicate issued to their father in the place of their origin except where the prescribed authority feels that detailed enquiry is necessary through the State of origin before issue of the certificate. However, in such cases they would continue to get the privileges and concessions as a Scheduled Caste /Scheduled Tribe from the State of their origin and not from the State to which they have migrated.
